Respondent.

### RESOLUTION NO. 15-08

In Resolution No. 15-07, Respondent Poe Llamanzares was given a non-extendible period of thirty (30) days from 21 September 2015 or until 21 October 2015, within which to submit the results of her DNA tests, if any.

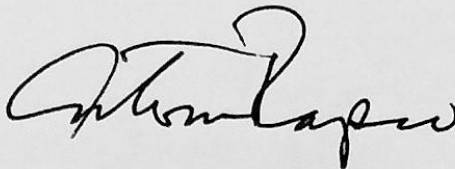

On 21 October 2015, the last day for submission of the DNA tests, Respondent Poe Llamanzares filed thru counsel a *Manifestation with Motion for Leave for Extension*, stating that the DNA process as contemplated and undertaken by Respondent Poe Llamanzares involved a number of probable matches and had not yet been completed. She therefore begged, in the interest of justice, for a fifteen-day extension counted from 21 October 2015, or until 05 November 2015, within which to submit the DNA results.

**FINDING** the reason given for the requested extension to be meritorious, the Executive Committee of the Senate Electoral Tribunal Resolved to **GRANT** the same. Respondent Poe Llamanzares is given a fifteen-day extension, reckoned

from 21 October 2015 or until 05 November 2015 within which to submit the DNA tests.

**SO ORDERED.**

27 October 2015.
