MARY GRACE POE LLAMANZARES,
Respondent.

RESOLUTION NO. 15-10

On 05 November 2015, Respondent Poe Llamanzares filed through counsel a *Manifestation (re: Results of DNA Testing)*, stating that Respondent participated in deoxyribonucleic acid ("DNA") testing with some persons who might be her blood relatives. Unfortunately, none of the tests provided results that would shed light to the real identity of Respondent's biological parents. Thus, Respondent remains a foundling whose exact circumstances of birth are not known.

Respondent stated that while she will continue her efforts to find personal closure with respect to this issue and undertakes to inform the Tribunal if, and when, a positive development arises, she nevertheless maintains her legal arguments found in her submissions to the Tribunal and submits the issue of her natural-born Filipino citizenship as a foundling for resolution.

ACTING on the above manifestation, the Tribunal resolves to **NOTE** the same and to **CONSIDER** the case submitted for resolution.

SO ORDERED.

06 November 2015.
